HIGH-LEVEL NETWORKING AND PROFESSIONAL CONTENT

Welcome to the 2024 PharmaSynergy & BioPharmaSynergy event!

In just 5 years, PharmaSynergy & BioPharmaSynergy has evolved into an event that successfully brings together hundreds of mid-sized pharmaceutical companies open to in-licensing and partnership discussions within specific therapeutic areas. Additionally, it attracts pharmaceutical and biopharmaceutical companies interested in out-licensing, commercialization partnerships, or technology transfers. Our events feature thought-provoking conference agendas, opportunities to connect with valuable contacts through pre-arranged 1-2-1 meetings, and a functional digital platform designed to facilitate effective business development conversations.
